

**Miami University Libraries - The Walter Havighurst Special Collections**  
**McGuffey Reader Collection Inventory - Primers**

This is an inventory list of the Primers in the McGuffey Reader Collection. The McGuffey Reader Collection provides over 600 examples of the evolution of the Readers that William Holmes McGuffey began writing at his Oxford home in 1834 and continued being published through the 1920s. From Primers through High School Readers, the whole collection also includes word lists, spelling books and juvenile speaking texts published as complementary additions to the Eclectic Educational Series. Several German and Spanish editions of the Readers can also be found in the collection.

Originally published by Truman & Smith of Cincinnati as part of the Eclectic Educational Series, the McGuffey Readers also demonstrate changing developments in the 19<sup>th</sup> century printing industry. The collection reveals how, as the Readers became the product of publishing houses that merged and grew, publisher names and locations often varied between the title page and the cover of the same Reader. Cover illustrations and binding styles can also vary between copies of the same edition of a Reader in this collection.

A finding aid for this collection includes descriptive details of:

- Cover and title page titles
- Publisher names listed on Reader title pages and covers
- Copyright entry information
- Publication dates
- Lesson titles and authors
- Illustrations and artists/engravers
- Stereotypers/electrotypers
- Advertisements
- Binding details
- Inscriptions and other unique identifying features of Readers in the collection

By studying this collection, researchers can see how McGuffey relied on familiar everyday objects like the ax and farm animals to teach children their ABC's. Illustrations of familiar scenes further demonstrate the difference between the Readers and the forbidding early American schoolbooks like the New England Primer that combined religion with education. The collection also reveals how the popular Readers became significant to children's educational and cultural development. McGuffey's selections of prose and poetry taught them to read, influenced their taste in literature, and contributed to the development of their character and morals.

***William Holmes McGuffey***

A teacher since the age of 14, William Holmes McGuffey (1800-1873) was a professor of ancient languages at Miami University from 1826 until his resignation in 1836. He then served as president of Cincinnati College (1836-1839) and Ohio University (1839-1843). Returning to Cincinnati, McGuffey taught at Woodward College from 1843 until 1845, when he became a professor of moral philosophy at the University of Virginia. He remained there until his death. He was ordained as a Presbyterian minister in 1829.

McGuffey married Harriet Spining of Dayton, Ohio on April 3, 1827. In addition to three boys who died either in infancy and childhood, their children included two daughters, Mary McGuffey Stewart (1830-1910) and Henrietta McGuffey Hepburn (1832-1922). Henrietta's husband, Andrew D. Hepburn (1830-1921), was president of Miami University from 1871 to 1873 and a professor in Miami's English department for many years.
